

## Adult Prosthetics Program

The War Amps Adult Prosthetics Program provides financial assistance to adult amputees in Canada for the purchase of artificial limbs.

The Program covers up to 7% of the total cost of one new conventional limb, to a maximum of \$700, every three years. Payments are made directly to prosthetic centres.

The Program does **not** cover:

- ▶ repairs/adjustments;
- ▶ recreational prostheses;
- ▶ extra prosthetic supplies;
- ▶ travel to and from prosthetic centres.

You must register in the Adult Prosthetics Program to receive financial assistance.
